

# KEEP THE PRESSURE ON!

**We Can't Stop Now.** We marched at the state capitol to demand that our legislators act immediately to prevent devastating budget cuts that would harm all Illinois citizens. And we are determined to keep the pressure on until they do just that.

**What: Supportive Housing Providers Association and Housing Action Illinois Legislative Call-In Day**

**When: May 7, 2010**

**Where: All Around the State**

Many of the organizations that participated in that march and rally are organizing Call-In Days to make sure that legislators continue to hear from us every day they are in session. SHPA and Housing Action Call-In Day for homelessness and housing is **Friday, May 7, 2010**. Plan to join in and make sure that we keep the pressure on for a responsible budget.

**Tell your legislators: "Raise the new revenues needed to prevent budget cuts that will harm vital services! Illinois needs a responsible budget before you go home."**

**Call 1-800-719-3020** to be connected to your legislators. Thanks to AARP for the use of their line! Call the number above, follow the directions and enter your zip code, then chose your state representative and you will be connected to their office in Springfield. Give the secretary the message above.

Encourage your neighbors, friends, family, co-workers, church members, board members, and community members to make the call on **May 7, 2010**. With a responsible budget, we all do better!
