

Dear Housing Action Member:

**This year, Housing Action Illinois is celebrating 35 years of working to promote affordable housing and end homelessness in Illinois.** Since our founding, hundreds of members, partners, and supporters have joined us to make progress towards an Illinois where everyone has an affordable place to call home. We've come together to secure critical investments and equitable policy changes that have helped millions of Illinoisans, facilitated trainings for thousands of housing professionals, and fostered countless collaborations.

**We invite you to join us in celebrating our past achievements—and building a brighter future—by sponsoring our 35th Anniversary Conference as a Keystone Supporter.** For a contribution of \$350, you will receive one complimentary admission to the 2022 Housing Matters Conference, a quarter page advertisement in our conference program book, and acknowledgement on our website. To become a Keystone Supporter, sign up at <https://bit.ly/2022HousingMatters> by **August 26, 2022.**

**This opportunity is exclusively available to nonprofit organizations that are members of Housing Action Illinois.** Learn more about membership at <https://bit.ly/join-housing-action>.

We are looking forward to meeting in person during this year's conference, which will be held in Bloomington, IL on October 20 & 21. Last year, 245 participants from 141 organizations joined our conference virtually to hear from our state's experts and decision makers. They were overwhelmingly satisfied with the conference—in a feedback survey, 100% of respondents said they were satisfied or very satisfied, would recommend the conference, and were likely to return.

We hope you will join us! Please do not hesitate to contact me or Kristin Ginger, Manager of Communications & Development ([kristin@housingactionil.org](mailto:kristin@housingactionil.org)), with any questions.
